STOIC STOP x ONE CLEAR CHOICE

THE 21-DAY STOIC RESET

A simple daily protocol to rebuild your habits, body and mind. No app. No cost. Twenty minutes a day, for three weeks.

HOW IT WORKS

Every day has three anchors: morning, midday, evening.
Each week has one theme: Attention, Control, Character.
Miss a day? Do not restart. Continue the next morning.

"You could leave life right now. Let that determine what you do and say and think."

THE DAILY PROTOCOL

MORNING - 10 MINUTES

1. Wake at the same time. Make the bed before touching your phone.
2. Read one line from a stoic text, or one line from this page.
3. Write three lines in a notebook: what is in my control today?
4. Set one clear choice for the day. One. Write it where you will see it.

MIDDAY - 5 MINUTES

1. No phone for the first hour after waking, and none at meals.
2. Walk ten minutes outside. No headphones. Let your mind finish its thoughts.
3. When something irritates you, ask: is this in my control? If not, release it.

EVENING - 5 MINUTES

1. Review the day in writing: what did I do well? Where did I react instead of choose?
2. Mark the day on the tracker (next page). A kept day is a vote for the new you.
3. Phone off or in another room one hour before sleep.

THE BODY - EVERY DAY

Move for twenty minutes: walk, train, stretch - your level, your choice.
Eat one meal a day slowly, with no screen.
Sleep is training too: same bedtime, dark room, no revenge scrolling.

THE 21-DAY TRACKER

Cross off each day you complete all three anchors. Three weeks, three themes.
The chain matters more than any single day.

WEEK 1 - ATTENTION

Days 1-7: Defend the first hour. Phone last, not first.

Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
Days 1-7:	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**

WEEK 2 - CONTROL

Days 8-14: Sort every problem: mine to act on, or not mine at all.

Day 8	Day 9	Day 10	Day 11	Day 12	Day 13	Day 14
Days 1-7:	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**

WEEK 3 - CHARACTER

Days 15-21: Act like the person you wrote down on day one.

Day 15	Day 16	Day 17	Day 18	Day 19	Day 20	Day 21
Days 1-7:	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**	**Days 1-7:**

THE FIVE RULES

1. One clear choice a day beats ten vague intentions.

2. Control is a sorting problem: yours to act on, or not yours at all.

3. Never let a bad hour rent the whole day.

4. What you repeat in private is who you become in public.

5. The obstacle is not in the way. The obstacle is the way.

When you finish day 21, start again at a harder level: earlier wake time, longer walks, stricter phone rules. The reset is a floor, not a ceiling.
